Our Company Story

Maya international is based in Tirupur, India. Since 1992, Started as a knitted garments to various countries, entrepreneurship of Mr. Vinod with the decades of knowledge with the knitwear.

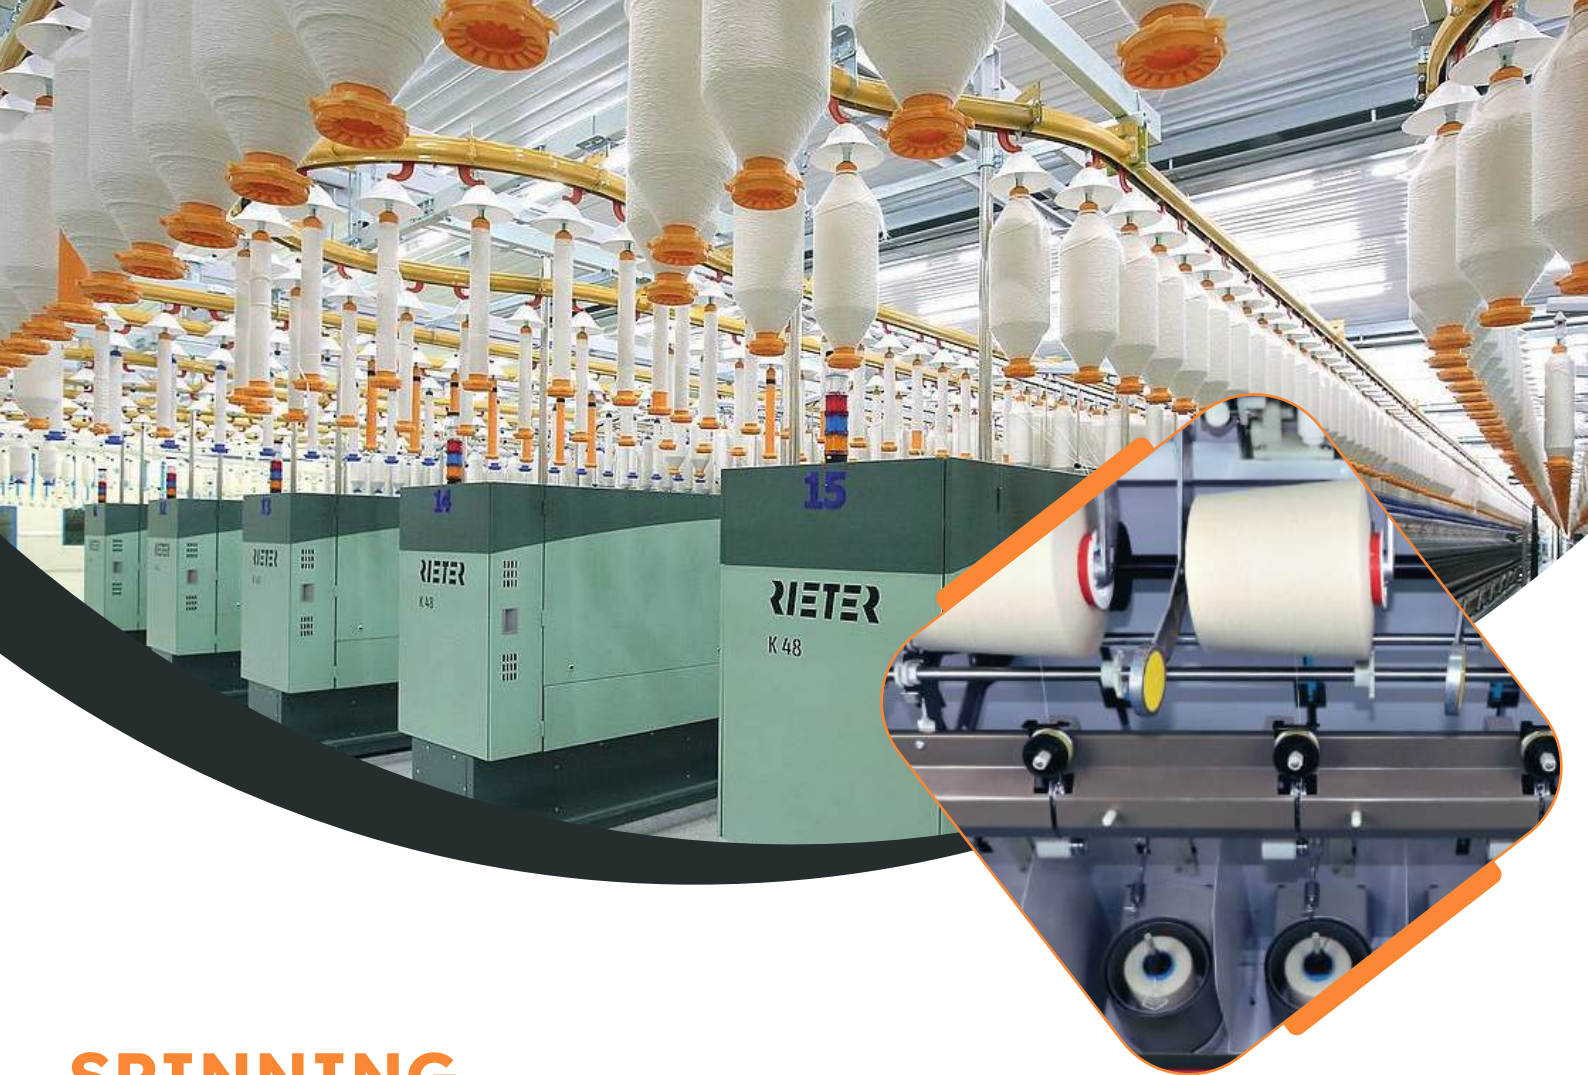

Transparent & global vision with the customer satisfaction, now maya International is fast growing garments export company with its operations including sourcing company. All kind of fashion clothing like t-shirts, hoodies, sweatshirts.

**Knitted Ready Made
Garments**

**High Fashion
Quality Garments**

SPINNING

Our spinning division facilitates the production of the finest combed cotton yarn. While 50% of the facility is dedicated to manufacturing heavier count yarns like 30s, 34s & 40s, the remaining 50% produces finer yarn of counts 60s & 80s.

KNITTING

The German and Italian machines enabling Rib, Interlock, and Fancy designs, along with the Spanish machines for Interlock, Drop Interlock, and Auto Stripes, give you the versatility to cater to various customer requirements and fashion trends.

DYEING

With a strong focus on eco-friendliness, we have implemented advanced technologies such as a modern Effluent Treatment Plant (ETP), a Zero Discharge Waste Water Recovery Plant, and Reverse Osmosis Technology to ensure minimal environmental impact.

SEWING

The garments are produced in our in-house production unit, which is equipped with the latest state-of-the-art technology and advanced machinery. We use a diverse range of machines, including JUKI, BROTHER, and PEGASUS, ensuring high-quality manufacturing.
